

## **Puppy Jump Start Training Packages**

Included in the training packages you will receive a 2 hour training session for you and your family at our training facility. This is completed upon the transfer of your puppy.

We will also provide you with the Happy Hound Puppy Gift Package which includes our Training booklet, their blanket, squirrel toy, bone, treat bag, pen and flashlight PLUS private access to our training video of a 2 hour Happy Hound training session.

The puppy will be fully health checked by a veterinarian, and include their vaccination certificate for their 1<sup>st</sup> set of shots, and their personal record book.

Puppy receives its' Spa Treatment: bathed, conditioned, nails trimmed, puppy face and behind trim, blow dry and conditioning spray.

### **8 Weeks Old \$2295**

Puppies will begin to understand the Sit command, Housetraining is started & they will pee/poop on command, they will know Puppies Come which can quickly be transferred to their name

### **9 Weeks Old \$2695**

Puppies are conditioned to the word Yes, they will understand the Sit command, Housetraining is started & they will turn to look at you for a treat when they pee/poop and they will use a pee pad if they are left too long, they will know Puppies Come which can quickly be transferred to their name, they will understand the Back command to help with door darting, they will be left alone in a positive way to prevent separation anxiety and they will begin to know the Follow command

### **10 Weeks Old \$3095**

Puppies are conditioned to the word Yes, they will understand the Sit command, Housetraining is well underway as they will turn to look at you for a treat when they pee/poop and they will use a pee pad if they are left too long and sometimes will scratch at the door or ring the bell, they will know Puppies Come which can quickly be transfer to their Name & Come, they will understand the Back command to help with door darting, they will be left alone in a positive way to prevent separation anxiety and they will begin to know the Follow command

## **11 Weeks Old \$3495**

Puppies are conditioned to the word Yes, they will know their Name, they will Sit for your attention, Housetraining is almost complete as they will look at you as they eliminate along with beginning to ring a bell to go outside and they will use a pee pad if they are left too long alone, they will know their Name & Come, they will know the Back command to prevent door darting, they will be left alone in a positive way to prevent separation anxiety and they will know the Follow & Down commands along with a good start on their Off command which helps prevent jumping on people

The main differences between the 11 Week Old Training Program and the 12 Week Old Full Training Program is the following:

- Our puppy in the 12 Week Old Full program would accompany our Puppy Trainer in their home for more 1-on-1 personal training and socialization.
- Our puppy in the 12 Week Old Full program would be signalling us to go outside to do their business.
- Our puppy would be fully housetrained.
- The puppy will have more socialization and leash handling.
